

## **Greeting Cards Gone Spiritual**

### **FOR IMMEDIATE RELEASE**

Virginia Beach VA, March 2008 - Goddess Greetings is proud to announce two new spiritual compilations, found under their Encouragement Collection, entitled 72 Names of God and Encouragement Tools. These amazing and enlightening compilations are the first and only spirituality greeting card collection available on the market today, due to the diligent and creative collaborations from owners and creators, Victoria Raine and Heather Paige.

"I turned to contemplating our Encouragement Tools at a time in my life when I craved for something fresh and new, something to lift me out of the grey days I was experiencing and bring me back to the light, showing me direction and purpose," says Heather. "Our Encouragement Tools helped me to realize the areas of my life that I needed to improve"

The 72 Names of God Compilation consists of 8 color coordinated greeting cards, including Goddess Greeting's patent-pending keepsakes held in each one. There are also 81 beautiful 5x7 prints available. The Encouragement Tools Collection consists of 16 spiritual tool cards and prints. Images consist of renaissance artwork, with embroidered keepsakes contained inside.

"I could go as far as to say that I feel there was a divine hand that guided my pen," says Victoria. "These works, at times, take my breath away and I think, "Wow that's really powerful!"

Goddess Greetings are elegant 6x6 cards that contain a patent-pending keepsake inside each card, and each of their collections are associated with Gods and Goddesses. Also produced by Goddess Greetings are 5x7 prints and GG Jewels, exclusive precious and semi-precious stone necklaces.
